PASSING ON INFORMATION

It is expected of the PAF Coordinator at your school that this information is passed on to the teachers, tutors, and parents concerned. Advertising the festival in your newsletter is a great way to inform parents and especially students, who are tutored outside of the school.

Please advertise this event within your school community.

TESTING & TAGGING

Please ensure that all testing and tagging of any electrical cables and/or equipment is visible and has been passed by a qualified electrician. If any faults occur within a venue as a result of your equipment not being tagged or passed, the cost of the call-out fee for an electrician to rectify the fault will be charged to your school. Some venues may not allow a performance without the correct tagging.
